Working effectively for you

For over one hundred years, **Girlings** has been successfully managing legal affairs for individuals and business clients. We are committed to excellent client care, outstanding legal performance and the delivery of an exceptional range of value for money services, provided by over 20 partners and one hundred members of staff.

" A specialist team of lawyers providing a comprehensive range of services for individuals."

You'll find us easy to talk to. We won't baffle you with jargon, and we will keep you fully informed about your legal position and options.

We're equally open about our charges, always providing you with an indication of cost, or a specific quotation and advising you of any changes.

Meetings are arranged to fit your timetable, not ours, and we are happy to visit you at your office, or your home, if this is more convenient for you.

Services for Individuals

Family Law

Our Family Law team can provide you with sympathetic, practical advice and guidance on a wide range of family issues. We focus on negotiation and agreement to resolve family disputes and, whenever possible, we attempt to reach a satisfactory resolution without having to go to court.

Wills & Inheritance

Our skilled legal specialists will advise you on the best legal arrangements to protect your wealth and investments and ensure that property or assets are inherited by those you wish to benefit.

Moving Home

Girlingshomemove, our specialist conveyancing division, offers you a fast and efficient service whether you're buying or selling. Conduct your transaction at one of our offices, or visit www.girlingshomemove.com.

Employee Law

Whatever your grievance or concern, our experienced solicitors will advise you about your rights and options, negotiate with your employer if required and help you reach a satisfactory settlement, out of court if at all possible.

Financial Services

Our financial experts will provide you with impartial, independent advice that suits your circumstances.

Accident Claims

Our personal injury team specialises in helping you claim – often at no cost to you – what is rightfully yours following accidents where you are the victim. That can be accidents at work, on the roads, in other people's homes or even when out shopping. We can help you with any accident claims including those whilst holidaying in this country and abroad.

Dispute Resolution

Our disputes team has experience ranging from boundary issues regarding property through to contractual disagreements over purchases, insurance, landlord & tenant or service agreements. We can also help you find the most efficient way to pay for the related costs, including the possibility of 'No Win – No Fee' agreements.
